Rules Of Play:

1. Texas scramble. Men tee off from **Blues** and ladies from the **Whites**. The team selects the drive to be used and all players drop from within one club length of the selected shot, no closer to the hole. This continues until you have holed out. Any putt inside the putter grip may be considered a gimmie – if you putt it anyways and miss, you must add the stroke.
2. Every player must use at least **three (3)** tee shots and a maximum of **five (5)** per person. Team captain is responsible for tracking. If there are only three team members, **four (4)** drives are required from each player. Three player teams are **NOT** entitled to an extra shot – this will be adjusted in the clubhouse.
3. All longest drives must be on the fairway. Closest to pin and long putts must be on the green.
4. Do not leave to tee off with only 2 people – please report this to registration.
5. Do **NOT** search for lost balls – time is critical.
6. **NO mulligans** (including extra putts) - time is critical.
7. Please turn in score cards immediately after the round

8. Return golf carts to registration area so that they can be prepared for the afternoon round. Please do not drive them to your vehicles.
9. Must be present at the banquet to receive prizes.
10. The emphasis is having an enjoyable game and day – **not** the score.

GPAC thanks you for your support and we hope you have a great day.
