

Is your company looking to access the Gas Processing industry? Does your target audience include, Producing Companies, Midstream Companies, End Users? GPAC is always looking for Event and Corporate sponsors. Put your company, Front and Centre, with this multi-billion dollar industry!

The **Gas Processing Association Canada (GPAC)** is an active participant in the Gas processing industry representing all sectors including suppliers, processors, mid-streamers and packagers. GPAC holds a number of technical conferences through the year as well as several social events.

Sponsorship opportunities are as follows:

CORPORATE SPONSOR 1 Year

Recognition at all **GPAC's** events, including Golf Tournament and technical programs; sponsor logo on the website with link to sponsor's webpage; and two (2) complimentary memberships (*\$150 value*). **\$3000**

Other Corporate Sponsor levels may be considered for added exposure i.e. conference booths, golf hole sponsorship. Contact the office to discuss.
